OF THE NORTHLAND FIELD DAYS & TRACTOR PULL.**

REPORTING TIMES:

All drivers to report to the Tractor Pull Headquarters by 9.30am on the Friday for drivers meeting. Practice runs will be held on either the Wednesday afternoon or Thursday after the competition of the business house competition. These Are limited to 4 runs per tractor and must finish by 9pm.

The Competition

- The competition will be run on a seeded system with the winner of the heat carrying on, and the loser going through to the Consolation Round. Each competitor will be required to drive his/her tractor over a 100m course pulling a scientifically calibrated sledge with weights added according to the power output of the tractor as measured on a PTO dynamometer.
- Knockout heats will be run in pairs during the competition. Each tractor will have two runs (one in each of the two lanes) and the times for both will be aggregated.

- The heat winners from the first round will compete on Saturday for the final. Each race involves two runs and an aggregate time.
- The consolation competitors (those knocked out of the first round) will have a second heat on Friday.
- The run up to the start line prior to each race will enable final adjustments of hitch height, speed and gears to be tested.
- A compressor will be available to adjust tyre pressure between races but there will be insufficient time between the two runs of any race to make any major adjustments.
- A team prize will be awarded to the team of three competitors with the lowest accumulated time from the first-round knock-out heats.

Greenleaf Winners trophy – awarded to the overall winner of the competition.

Carl Phillips Memorial trophy - This is a trophy competed for by the drivers and relates to sportsmanship during the competition. The winner will be determined by the Tractor Pull Committee Vote.

Carol's Best New Entrant – awarded to the new entrant who makes it the furthest through the competition.

Anne Pull & Robbie Yates Business house – fastest combined team time for businesses.

THE RULES:

1. All tractors must fully comply with safety regulations and have an approved safety frame and PTO guards fitted.
2. The Northland Agricultural Field Days Society will take safety precautions, but no liability will be accepted for damage to competitor's tractors or injury to competitors.
3. Any driving practice deemed to be dangerous, including alcohol and cell phone use, will result in a warning for the first offense, then further action may be taken.
4. The competition is open to all agricultural tractors with a PTO power rating between 30 -290 hp.
5. All tractors must be on rubber tyres, and may be ballasted, with standard weights and water ballast. Dual wheels are permissible.
6. Each tractor will have its maximum PTO power measured at maximum RPM. Where the power output is below 95% or above 15% the manufacturer's specs, penalties will apply.
7. Tractors may not be used with an implement attached.
8. Normal rear tractor hydraulics may be used but will not exceed 1m above the ground.
9. Any fuelling modifications found will be disqualified.
10. Each entrant may only drive one tractor, and each tractor may only be entered once.
11. The competitor must remain in their tractor seat between being tested at the dynamometer and completing the final run of the current race unless otherwise directed by officials.
12. Tractors must remain stationary after leaving the dynamometer test, and no other person is permitted to be within the direct vicinity of said tractor, until the completion of the current race.
13. All entrants will have one heat and then move into either the main plate or consolation round.
14. A re-run will be allowed for the first jump at the start or wheel lift, but you will be automatically disqualified on your second.
15. No Tractor will be allowed to dyno/race within 4 hours of entering the competition area.
16. Entrants must hold a current driver's licence.
17. Front weights will be permitted, either fitted onto the front baluster or on the front linkage, hydraulic hoses must be disengaged / uncoupled
18. The Tractor Pull Committees' decision on all matters is final.

I have read and agree with the Terms and Conditions of entry, including the rules and H&S regulations.

YES
